

# ACCEPTANCE

Acceptance is the answer to all my problems today. When I am disturbed, it is because I find some person, place, thing or situation -- some fact of my life -- unacceptable to me, and I cannot find serenity until I accept that person, place, thing, or situation as being exactly the way it is supposed to be at this moment.

Nothing happens in God's world by mistake. Unless I accept life completely on Life's terms, I cannot be happy. I need to concentrate not so much on what needs to be changed in the world as on what needs to be changed in myself and in my attitude.
