

## *He Cares*

*When problems rush in and doubts arise,  
when your heart can feel only bitter cries,  
when storm clouds cover the once blue skies,  
don't forget He cares.*

*And then when things are again glad and bright,  
when your days are sunshine and filled with delight,  
don't turn your soul away from His sight;  
don't forget He cares.*

*So whether you can run or only creep,  
whether your troubles are shallow or deep,  
you can rest in His arms and go to sleep;  
remember God cares for you.*
